SUBJECT: **SCHEDULING OF USE OR LOSE ANNUAL LEAVE**

TO: All ORO Employees

Employees and supervisors are reminded that the leave year ends on January 7, 2006, and you should assure that excess annual leave is planned, scheduled, and approved prior to November 27, 2005. Any annual leave in excess of 240 hours which is not used (or donated to a participant in the Voluntary Leave Transfer Program) by the end of the year is normally forfeited. It is important to remember that leave for one or more workdays is to be requested using Office of Personnel Management (OPM) Form-71, "Request for Leave or Approved Absence." The OPM Form 71 is to be completed in its entirety and appropriate signatures obtained. Leave being requested for a portion of a workday may be requested in accordance with each organization's internal leave request procedures; however, use of the OPM-71 is encouraged for all leave requests.

Forfeited annual leave may be restored under the following conditions which are outlined below.

1. **Exigency of Public Business.** The two legislative requirements discussed below must be met to arrive at a positive determination that an exigency of the public business existed and caused forfeiture of leave. A revised "Request for Determination of Exigency of Public Business" form is attached, and it may be obtained electronically from the Human Resources Division (HRD) web site at: <http://www.oro.doe.gov/pmab/Forms/Exigency%20Determination%20Request.pdf>. Prior versions are obsolete and should not be used. **To receive consideration, the Request for Determination of Exigency of Public Business form must be submitted to the HRD for concurrence not later than January 21, 2006.**
 - a. The exigency must be of such importance as to preclude the use of scheduled leave. This determination must be made by the Manager, Oak Ridge Office (ORO). Principal Staff members are to use the form to request approval of any exigency. Each request should clearly state the beginning and ending dates of the proposed exigency and reasons why other alternatives cannot be used to prevent the forfeiture of leave.
 - b. The leave, which must be cancelled by the supervisor due to the exigency, must have been scheduled and approved by the supervisor (written documentation required) by November 27, 2005.
2. **Annual Leave Forfeited Due to Illness.** Annual leave that is forfeited because of illness may be restored if it was scheduled and approved by November 27, 2005, and if the illness occurred so late in the leave year, or is of such duration that the leave cannot be rescheduled within the leave year. Requests for restoration of annual leave forfeited due to illness should be directed by a

member of Principal Staff to the Manager, ORO. This request should include documentation of the period and amount of leave which was approved, scheduled, and subsequently cancelled due to illness as well as why other alternatives could not be used to prevent the forfeiture.

When an administrative error causes the loss of annual leave, the leave may be restored on a case-by-case basis depending on the circumstances involved.

If an exigency of the public business or illness is determined to have caused the forfeiture of leave, the forfeited leave is eligible to be restored. A revised "Request for Restoration of Leave" form is attached, and it may be obtained electronically from the HRD web site at:

<http://www.oro.doe.gov/pmab/Forms/Leave%20Restoration%20Request.pdf>. Prior versions are obsolete and should not be used. The approved exigency determination, and its attachments, must accompany the restoration request. Questions regarding restoration of forfeited leave should be directed to your Human Resources Specialist.
